

Complementing Humbrol's famous Enamel paint, Humbrol Acrylic Paint gives you a water based alternative for over **80** colours without compromising the finish quality.

Why use Acrylic Paint?

-  Using the finest pigments, Humbrol have produced an Acrylic paint that gives full cover with the fewest number of coats.
-  Complete the job quicker: easy to apply paint that dries in 1-2 hours.
-  Clean brushes with water, no need for solvent cleaners.
-  Compatible with Humbrol Enamels and Aerosols for colour match and over-coating.
-  Water based, conforms to child safety EN71 regulations.
-  As well as brush application the formulation has been carefully designed to combat the problem of airbrushing an acrylic, Humbrol Acrylic's give an excellent finish when airbrushed.
-  12ml Pot features an easy to open and close flip top lid with drip preventer to minimise mess whilst you work.

Drying times can vary according to ambient temperature and humidity.
Airbrush application requires suitable thinning of the paint to suit the circumstances and user.
